

Campus Verus Initial User Stories

Tour Guide can join site

- Separate login/permissions versus Tourist login
- Legitimacy verified by .edu email address
- Email-verified .edu address determines which University they go to
 - And therefore where they can give tours

Tour Guide can create profile

- Tour Guide must upload full name, photo, major, year in college, University, gender
- Can optionally add interests/extracurriculars, living situation, hometown, external links

Tour Guide can edit profile

- Can change all fields except full name
- Can reset password
- Can delete profile (deletes all associated reviews)

Tour Guide show page displays profile info and reviews

- Show page displays all Tour Guide info except last name
- Guide show page links back to University show page
- Show page has (hidden/encrypted?) contact information for setting up tours

University show page displays Technical details

- Show page displays all details as input by moi or school ambassador
- Show page features University logo and name at top
- Cannot be edited except by me
- Displays API ranking badges
- Displays Google Maps API for campus map
- Can link back to Index page

University show page displays available Guides

- Displays list of all University's Tour Guides with picture, major, and year in college
- Filterable by major, gender and/or year in college

Index page shows participating Universities

- Displays list of all participating Universities
- Each University identifiable by logo and name
- Each University displays number of available Tour Guides
